RE: Little Angels (Somerset West)

Dear Sir/Madam

Round Table Somerset West 31 is a young man's organization that through our business and private capacity raises funds to assist worthy organizations in the Helderberg community.

We have been assisting Little Angels, where we could, for quite some time now as we have earmarked it as being a worthy and amazing organization doing great things for the physical and mentally disabled kids in our area. We have made numerous visits to their home and are always amazed in the love and care that these Angels received from the amazing staff at Little Angels – seldom have we leave with a dry eye.

We have assisted Little Angels in the following way:

1. The donation of mattresses from a local mattress manufacturer.
2. The sourcing and going on radio to ask for companies to assist with the repairs on their house – We got a roofing contractor to fix and repair the roof of their house.
3. We donated R 52 000.00 to cover the costs of the physiotherapist for the year to ensure that these children get the best care in the world without it having to be a cost burden to Little Angels as an organization.

We at Round Table Somerset West 31, is extremely diligent and active in making sure that the money and goods we donate goes to worthy and reputable organizations, like Little Angels. We after all work with public donations and money and have to be accountable that these donations and funds reaches organizations like Little Angels. Little Angels does more than taking care of special needs children, they give these children a loving home with a beautiful future.

We at Round Table Somerset West 31 are honored to be associated with this amazing home.

Please feel free to contact me direct should you need to discuss further.

Yours sincerely,

Michael Swanepoel
